Summer has come late to the UK, but as we put this issue to bed, it's 32 degrees, the Olympics is under starter's orders (to murder a metaphor) and England's cricket team have been shown up as pretenders by South Africa at the Oval. And if there's one thing that reminds us of summer past, it's us being crap at cricket again. Unfortunately, if you're looking to cool down, this issue will be of absolutely no help whatsoever. It's red bloody hot! ♣

Dear Club,
I'm a sweet brunette woman, and although I'm completely straight, I've often fantasised about what sex would be like to be with another girl. So when the opportunity recently came my way, I made sure I grabbed it!

I was on a business trip in Bath with a work colleague – a blonde named Heidi, whom I always thought looked fit. We happened to be sharing a room at this hotel, where there were no decent blokes there to flirt with, and there was little else to do in the downtime there but drink in the bar. So one day, after a boring business lunch that we'd had to get drunk to get through, Heidi and I went back to our room to shower and chill out till the evening.

Heidi had often talked about her boyfriend, so I knew she wasn't gay, but all the same, there was something in the way her eyes lingered a little too long on my breasts that made me wonder a little. I'm proud of my firm tits, and I know an admiring look when I see it. Heidi was liking my style for sure.

By the time we got back to our room, my pussy was purring in anticipation. If I made a pass at Heidi and she turned me down, I could just put it down to the drinking and shrug it off. I'd brought my vibrator in case I was missing my fella too much, anyway! My opportunity came when Heidi went to have a shower, and I impulsively made an excuse to come in. I couldn't help admiring her sleek toned body as she soaped herself up. I was so horny I just jumped straight in with, "Can I help you with that?" Then, like it was the most natural thing in the world, I quickly stripped and joined Heidi in the shower.

As I lathered Heidi up, she told me, "Blimey, your tits are so nice," then actually started kissing them. Wow! This was already working better than I'd dared hope, and I continued slowly soaping her gorgeous body. "Mmm," Heidi whispered. "You know, I've never done this with a girl before…"

"You and me both!" I replied with a grin, and we started kissing slowly and touching each other under the hot jets of water. Heidi's juicy boobs were smaller than mine, but with big nipples that I just had to suck. She moaned hungrily as my hands moved swiftly to her shaven pussy. As I stroked her dripping cunt I asked her if she wanted to move to the other room. We never made it beyond the sofa, where our naked bodies were grinding against each other.

As we rubbed our soaking snatches together, I remembered my vibrator. It's a very useful little toy, curved too, so it easily reaches the G-spot as well as doubling up for anal. I decided to dive straight in with Heidi – wanting to taste her sweet pussy while giving her a good ride with the vibe. I licked around her clit slowly, enjoying lapping up her juices. Squirming with pleasure, she opened her legs wide so I could dig my tongue deep into her lovebox. Boy, did she love that! Then,

CURVE-BALLS!

Dear Club,
I've just moved out from a relationship/ girlfriend's flat recently – she still has a number of my belongings including my computer – suffice to say in abstinence to any horizontal activity I am missing my computer and the odd adult website! So needs must I went to a local shop and surveyed the top shelf – *Club* caught my eye. As a remedy I bought it to cure some long lonesome nights without an activity partner or computer to hook up with one! I have to say out of all those models the one woman that caught my eye was the reader's wife looking extremely hot volume 41.06 page 57 [I love long black haired women with a fringe with killer curves]. My godfathers forgive me father for lusting after another man's wife! A million hail Mary's later I've decided to write to you and enquire who this raving raven is? I would love a back copy or emailed photo set of this darling! She deserves a proper centrefold cover, fan club and website! Please pass on my email, I'll be her manager and more! lol
Cheers,
Gus via email

Cheers Gus. We reckon you mean Stella, who was the Reader's Girlfriend in issue 41/5. Yes, those curves are eye-watering. We don't do this for everyone, so keep it on the hush, but we'll sort you out a copy.

HAPPY-GO-FUCKY!

Dear Club,
I just had to say thanks, you're getting better and better – the incredibly beautiful (and horny) Hicks photos, the regular two-girl sets, the double-page shots (that one of Tess and Victoria in the current issue is astonishing) – you're making a lot of people very, very happy, thank you.
Dave, Nottingham

You put a smile on our face, Dave. We try our best, and even though it's a difficult, p orn-crammed world, we know there are discerning gents like yourself who appreciate the unique experience a magazine can deliver, and that's who we're doing it for!

spreading her legs wider, she gasped, "Fuck my arse with that bad boy while you bring me off with your tongue!" I lingered a moment licking around her puckered bumhole, and she opened up to me with a squeal of delight. "You're so dirty! My boyfriend never did this to me!"

"Well, now you know what to tell him to do," I replied. I was really fired up now, and just had to take the plunge, and sit on Heidi's face while I vibro-fucked her arse. We arranged ourselves on the sofa and I lowered my aching cunt over her face begging her to lick me out. And so she did, until I came above her face. All I could hear were her muffled moans as I continued to writhe over her eager lips and set to work on her pussy and arsehole. My fingers frigged her clit while I wet the vibe in her cunnie first and started working it into her tight bum. She was soon thrusting against it like mad as I was grinding my hips against her face in another shuddering orgasm. And neither of us is a lesbo. What's more complicated than a woman?

A spray of sunshine...

We dug in the files this month and looked at some old stills of Sunny Leone when she was a new porn star back in the early noughties. And we can say, without fear of contradiction, that she's hotter now than she ever has been. Yup, she's grown into her looks, and while we can't put our finger on exactly what it is – confidence, maybe, better styling, better photography, who knows? – we're happy to go on the record and say these are best snaps of the lovely Sunny we've ever seen. Yep, we're always happy to blow our own trumpet, and we're going to toot away about this: This is the new gold standard of Sunny Leone photos, in your ever lovin' *Club*. ♣

Club's ROUGH GUIDE

THE Olympics

Cruise missiles on tower blocks, traffic chaos, unfair ticket sales and shambolic security. That's been the story of the London Games so far, but apparently there's going to be a bit of sport, too. With Team GB in the spotlight, Matt Loxham offers his (inexhaustive) guide to where you might find some of those all-important medal-winning performances...

On the 27th July all the negativity stops and the Games begin – a big celebration of harmony, endeavour and the British sicknote. So long as the opening ceremony isn't too shit we'll be on our way.

For two and a half glorious weeks we can enjoy the spectacle of seeing thousands of top-class athletes from over 200 countries compete across 39 disciplines in what is arguably the finest sporting occasion on the planet. This is the kind of thing that dreams – and couch potatoes – are made of.

Amidst the zillion hours of wall to wall television coverage and (fingers crossed) numerous golden moments for Team GB, there will be quite a lot of pointless stuff to negotiate. You might inadvertently find yourself watching, for example, a sweaty Dutchman grappling with a Romanian in the Greco-Roman wrestling, or witnessing the dubious spectacles that are synchronised swimming or rhythmic gymnastics.

So while there should be plenty of great British performances spread liberally over sixteen days of competition, the question is exactly where and when you might find them. When should you be glued to the telly or the internet at work and when can you slip off for a brew or an armpit wash, or to make some eggy bread? Which events should you watch live and which should you save for the highlights? And most importantly, when should you throw a sickie? Do not fear – I'm here to help.

Live Viewing

Athletics

Starting on August 3rd and coming to a grand finale on the very last day of the Games with the men's marathon, athletics, and in particular the stadium events, should inspire Olympic levels of slacking, especially considering that some sessions overlap with the cycling.

The Team GB line-up might best be described as patchy; desperately weak in some areas, but with bright prospects and medal certainties in others.

Main British hopes will rest on the shoulders of Heptathlete Jessica Ennis, Mo Farah, who is set to compete in both the 5000 and 10000 metres, triple-jumper Philips Idowu (stop press: maybe not) and Dai Greene over the 400 metres hurdles – indeed, his tussle with Puerto Rico's Javier Culson could provide one of the classic Games encounters.

Perry Shakes-Drayton, who recently ran the second best time ever by a British woman, is also an exciting prospect in the 400 metre hurdles, and other outside bets for a podium place include Hannah England in the 1500 metres, Holly Bleasdale in the Pole Vault, Greg Rutherford in the long jump and Robbie Grabarz in the high jump. If she's fit and doesn't stop to have a piss in the street again, at 38 years young Paula Radcliffe has live chances in the marathon.

Club Recommends: Taking place over ten days (six afternoon sessions and nine evening sessions in the stadium, plus the marathons), the athletics events are likely to inspire the big flu epidemic of the London Games. Team GB fans watching with illnesses from home should use the Decathlon, the women's 10000 metres, most of the sprints and the javelin for nose-blowing, pretend coughs and to prepare soup.

Cycling

Be it on the road, in the velodrome or over the humps, jumps and berms of the BMX track, Team GB's two-wheelers boast a wealth of glory potential.

The road races (28th/29th July) see hot favourite Mark Cavendish and recent Tour De France sensation Chris Froome in the saddle for Blighty. Going in the women's event is the Beijing gold medallist Nicola Cooke.

In the time-trial (1st August) it's difficult to see beyond Bradley Wiggins racing to gold if he's recovered from the rigours of Le Tour. Speedy pocket-rocket

Watch the Highlights

Emma Pooley, who won silver four years ago in Beijing, has the pedal pace to go one better in London.

On the indoor track (2nd – 7th August), Team GB are arguably even stronger than on the roads. Both the men's and women's pursuit teams are fancied for gold, while Chris Hoy, Ed Clancy and Victoria Pendleton are expected to win at least one individual gong apiece.

More excitement and British success is anticipated at the purpose-built BMX arena (finals 10th August). Shanaze Reade has been one of the poster girls for the Games, but her habit of crashing out of races – as she did when hot favourite at the Beijing Olympics – means she's far from a shoo-in. In the men's BMX, Liam Phillips recently bought some new mags and stunt-pegs for his Raleigh Burner and must be fancied for a medal.

Club Recommends: Cycling is likely to be a major source of success for Team GB across all disciplines – look away for a few moments and you're likely to miss a medal. Conscientious types will try and follow the action on the internet at work. With the athletics overlap in mind, however, the smart option is to claim a mysterious bout of the pox and watch from the sofa.

Swimming

The British women's swimming team is our strongest ever for an Olympic Games. Rebecca Adlington (400 & 800m freestyle), Fran Halsall (100m butterfly, 50 & 100m freestyle) Ellen Gandy (200m butterfly) and Hannah Miley (400m medley) are all in contention for one or more golds, and Keri-Anne Payne is tipped to win the open water marathon.

By way of contrast, the men might struggle to win a single podium place. Liam Tancock's specialist event, the 50m backstroke, isn't included in the Games, so he has to compete at his weaker 100m. James Goddard is faced with the prospect of taking on Michael Phelps in the 200m backstroke.

Club Recommends: The swimming events take place over the first eight days of the Games. With sickies required for the athletics and cycling, you might want to view the pool action from the office. Either that or fake your own kidnap.

Triathlon

Yorkshire's Brownlee brothers – Jonny and Alistair – are legends in this event. A gold medal is practically guaranteed in the men's race (7th August), although whether the super-competitive siblings will be talking afterwards is anyone's guess. In the women's triathlon (4th August), Scotland's Helen Jenkins is the current World Champion and holds big podium chances.

> **"BMX star Liam Phillips recently bought some new mags and stunt-pegs for his Raleigh burner"**

Boxing

Flyweight Andrew Selby, Tom Stalker at light-welter and super-heavyweight Anthony Joshua head up a strong British boxing team. For the first time ever female pugilists will take to the ring at an Olympic Games, and flyweight Nicola Adams looks a genuine medal contender.

Don't Bother...

Handball

The British Handball teams wouldn't have qualified without host nation status. There'll be plenty of effort, but a lack of quality is likely to result in heavy defeats. GB's men were recently bashed 42-20 by Hungary.

Water Polo

Both outfits have been hammered by the world's best in recent months, meaning the only interest in this one for Team GB fans will be spotting floaters in the pool. ♣

Dallas XXX
(Adam & Eve)

Weirdly, *Dallas* is back on TV at the moment, the whole thing rebooted with some of the superannuated original cast. Trust us, the XXX version is preferable, as at least here you get to see India Summer and Bobbi Starr making mincemeat of some cocks, while Eric Masterson's JR is pretty decent. Who shot JR? Who gives a fuck. The pressing issue is, who fucked Bobbi? Most of this cast are fitter than the original, although we do miss Charlene Tilton, the OG Lucy.

★★★★

Bubbles
(Bluebird Films)

Club's local carwash is populated by badly-paid immigrants, a sign of the economic times. We assume that when the economy picks up again, it'll be exactly like Bubbles, a carwash staffed entirely by gorgeous British lesbians. The names that jump off the screen are *Club* faves Krystal Webb, Tommie Jo, Michelle Thorne and Gemma Massey, but veteran Sami J also makes a welcome return to action, and Katie K is always guaranteed to get us shooting our suds.

★★★★

The Cult
(Harmony)

Minor league by numbers kink from Harmony that isn't up to their usual standards but isn't a total washout either. Gazzman directs, and there's a feeling of 'been there, done that' to the costumes and styling. Megan Coxxx is the main attraction, with Linet Slag, Skin Diamond and Valentina putting in decent shifts at the cock-face as well. Speaking of which, if we have to see Marco Banderas' preposterous 'sex-face' ever again, we're going to go mad.

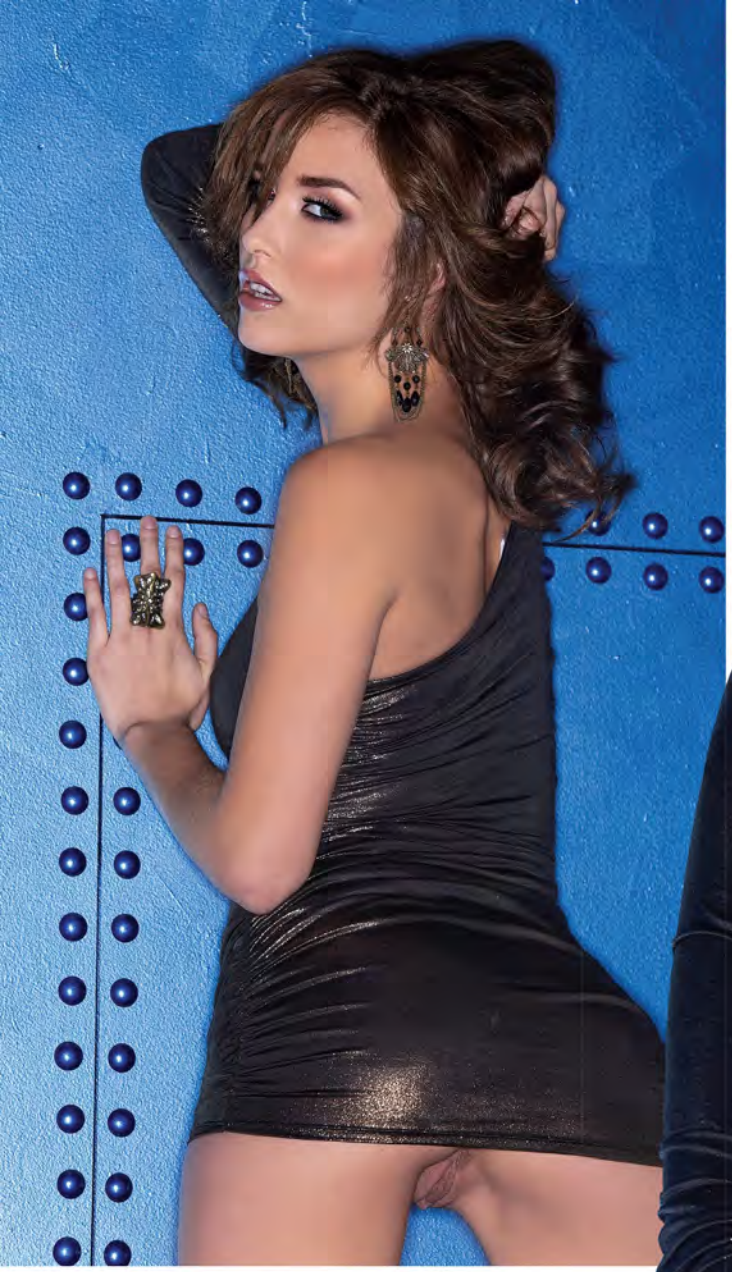
Little crack dress...



The girls in our office reckon no woman should be without a killer black dress in the wardrobe. They're 'versatile' apparently, and will do for a works party, club or even somewhere a little glamorous. Well, we're not complaining if they're all as short as Malena's.

"It's a trifle short," she confesses, "especially as I don't wear panties very often. Actually, I never wear them to a club or party. Basically, if I bend over or sit down, you're going to see something."

And is that intended?

"What do you think? All I'm saying is, when I go out with this dress on, I don't have to pay for many drinks, and I never, ever go home alone!" ♣

Club's KIT BAG

Plug and play with yourself...

Zotac Zbox Nano XS AD11 Plus

www.zotac.com

Away from the world of the Mac Mini, off the map companies like Zotac are doing tremendous things. This is very much a stripped down PC – no big storage, no operating system – that fits in your hand. It's tiny. But it still has room for essential features – USB3.0, a card reader, ports aplenty. Once it's all hooked up, we found that it streamed HD content brilliantly, and while it's too weak to handle hi-spec games, there's no reason you can't run simple games on low settings. You might see the price grow once you throw in an OS and a bigger SSD, but this is a brilliant glimpse of the future.

Pros: Tiny, great price, features.
Cons: No operating system.

Creative Labs Sound Blaster Recon3D

www.creative.com

Creative Labs have made their name in soundcards for PC's, and so the evolution to enhancing the audio aspects of gaming in other ways makes perfect sense. Most of us are content to play with the tinny bundled speakers we got with our PC's, or with headphones if our partners are 'sensitive', but this set-up goes to the next level. It's a headset purpose built for those long online FPS sessions, with noise-cancelling on the mic, a 'Scout Mode' so you can hear your opponents creeping up, and THX Surround Sound. It will make women think less of you, but that's an unavoidable by-product.

Pros: Comfortable to wear for long periods, top sound and features.
Cons: It's expensive, so only if you're serious about gaming. ♣

Loewe Air Speaker

www.loewe.tv/ul

With a lovely build quality and a wide range of colours, the Loewe Air Speaker is at the top end of streaming speakers. The limitations are bleeding obvious – it only streams from iOS devices and products using iTunes, so Loewe are limiting themselves to the Apple market. But as that market isn't exactly tiny, and this speaker packs fantastic audio quality (and two sub-woofers) into its diminutive frame, it should still prove a success. You pay for what you get, and what you get here is a relatively simple set-up and sound with superb clarity.

Pros: Looks and sounds nice.
Cons: You need an Apple device for your music.

The Olympic Phwoarch...

We already thought Tommie Jo was pretty much the perfect woman. Well, let's confirm that. When she told us her plans for the Olympics, her place in the pantheon was sealed.

"I'm going to throw a load of sickies and drink all day watching it," she says.

But what does she think of the creeping commercialisation of the Olympic ideal?

"I couldn't give a fuck, to be honest, as long as I don't have to watch those twats Seb Coe and Boris Johnson on telly. I want to see the cycling, the boxing, the basketball and the athletics. I didn't get any tickets, so I'll be on the sofa with some cans of Stella and not much on for the entire duration.

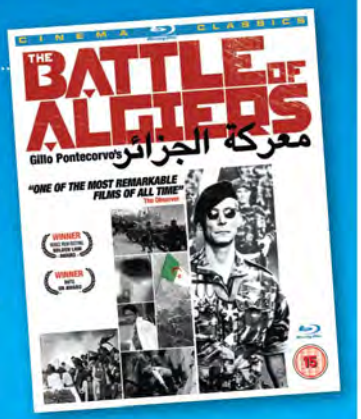
The Battle of Algiers

(Argent Films, Blu ray £17.99)



Gillo Pontecorvo's masterpiece is a film more written about and praised than actually seen. This exceptional Blu-ray debut release is the chance to put this right. It takes a long, unflinching look at the Franco-Algerian conflict that ran from 1954 to 1962, as Algeria fought for independence from its French colonists. And while the film makes a clear case for the righteousness of the protests, it remains remarkably even handed and doesn't shy away from showing the civilian cost of the FLN's (Algerian National Liberation Front) campaign of terrorism. While there is a plot, the larger battle becomes the real story, as a French paratrooper force arrives to ruthlessly crush the rebellion, a shameful piece of French history (we, of course, have little moral high ground in this regard). The extras include interviews with Pontecorvo and other key protagonists, contributions from directors Paul Greengrass and Ken Loach, a scholarly booklet and the obligatory trailers. The transfer is crisp, allowing a new audience to see this incendiary, passionate, divisive film in a manner that does it justice.

★★★★

Some Like It Hot

(20th Century Fox, Blu-ray £8.99)

Regarded by many critics as one of the most perfect films ever made (second only to the same director's *The Apartment* in our humble opinion), Billy Wilder's *Some Like It Hot* doesn't seem to age. Marilyn Monroe still oozes ditzy sensuality, Lemmon's trademark manic schtick is wonderful, while Curtis delivers one of his top three performances, channelling Cary Grant to brilliant effect. Blu-ray does it justice, the crisp black and white capturing the era perfectly, while repeated watches allow some of the supporting cast – Joe E. Brown, say – to stand out. By all accounts the filming was fraught, and Monroe a nightmare. You can't tell – this is sheer joy from beginning to end. ★★★★★

Rumble Fish

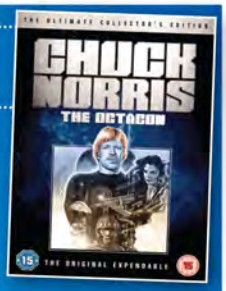
(Eureka!, Blu-ray £13.99)

Francis Ford Coppola was clearly a fan of author S.E. Hinton, having already adapted one book for the superior *The Outsiders*. *Rumble Fish* doesn't quite summon up the same magic. The tale of troubled gang leader Rusty James (Matt Dillon) and his dysfunctional family is compelling enough, and the cast is superb: Mickey Rourke, Diane Lane, Larry Fishburne, Nicolas Cage and Diane Lane included, but the problem lies in the filmmaking. Coppola indulges in heavy symbolism, employing gaudy flashes of colour in a film that is largely black and white. Despite that, the actors shine, and Eureka's extras are fantastic, as is the HD transfer. Ripe for reappraisal? It just might be. ★★★★

Lion of the Desert
(Anchor Bay, DVD £9.99, Blu-ray £15.99)

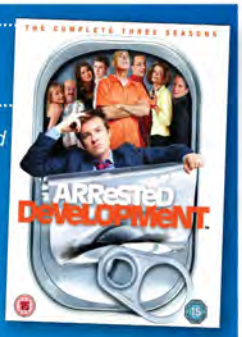
With an epic scale that stands comparison with the likes of *Ben Hur*, *Lion of the Desert* is a fascinating if flawed movie that deals with Bedouin resistance to Mussolini in a war beginning in 1929. Anthony Quinn, Rod Steiger, Oliver Reed and John Gielgud lend acting chops and the large budget (provided by Muammar Gaddafi, no less) makes its presence felt in stunning battle sequences. ★★★★

The Octagon
(Anchor Bay, DVD £7.49 & Blu-ray £9.00)



In many ways risible – when Chuck Norris is the best actor in a movie, you're in trouble – this is still very much a likeable slice of 80's schlock. Even more importantly, it's the film that introduced ninjas into Hollywood, and where would be without that, eh? Extras are on the scant side, but it's got Chuck, what do you need? ★★★

Arrested Development S1-3
(20th Century Fox, DVD £25.49)



For us, *Arrested Development* vies with *Seinfeld* for the title of greatest US sitcom of all time. It's endlessly witty and inventive, dazzling with wordplay, callbacks, choice cameos and starmaking turns from David Cross, Will Arnett, Michael Cera, Portia de Rossi and Jason Bateman. Season 2 is the pick, but as there are more episodes promised, warm up with a marathon weekend session of genius. ★★★★★

Classic Corner

Raging Bull
(20th Century Fox, Blu-ray £7.99)

Boxing has thrown up many great books, but only a handful of great films. Scorsese's is the best of all of them, with De Niro electric as Jake LaMotta, a storm at the centre of some of the most beautiful black and white photography ever committed to celluloid. Extras are exemplary – right down to the original LaMotta's rusty stand-up.

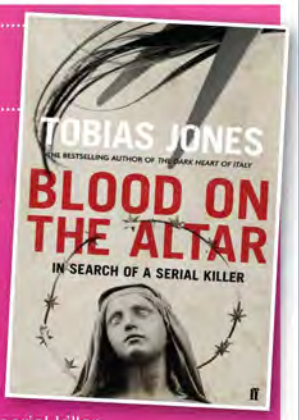
Blood on the Altar
Tobias Jones (Faber & Faber, £16.99)

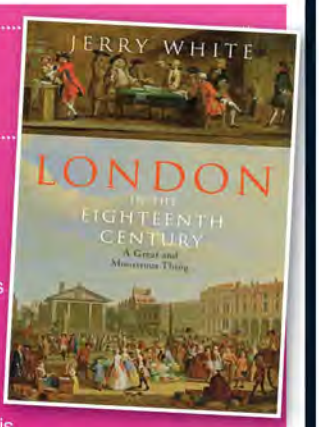


Tobias Jones is somewhat of an expert in Italian crime, but this is his masterpiece. He forensically scrutinises the case of Eliza Claps, a 16-year-old in Potenza who went missing in 1993. The obvious suspect, protected by a Priest and people with links to organised crime, is Danilo Restivo, who walks free. Until 2002 when Restivo, now living in Bournemouth, is linked to the murder of his neighbour in a killing with clear links to the death of Claps. A true life serial killer thriller on one hand, this is also a glimpse into the dark heart of much of Italian life under Berlusconi, about the tentacles of organised crime and the role of a corrupted church .

Dark Market
Misha Glenny (Vintage, £8.99)

We're all vaguely aware of the need for internet security, but a dip into Misha Glenny's Orwell Prize shortlisted book is like a cold bath to the senses. Hackers, whether benign or malign, are the internet's real powerbrokers, able to sway lives, business decisions and economies before you've even realised it. Glenny argues we've become a little complacent about our personal data, and through interviews and good old fashioned journalism shows the many ways it can be exploited. The 'thriller' style prose might be a little overcooked at times, but it adds to the books unputdownability. You'll read it in two sittings.

London in the Eighteenth Century
Jerry White (Bodley Head £25.00)



Working backwards, Jerry White has fashioned a brilliantly exhaustive history of the capital over the last three centuries. And this might be the best volume yet, as it sheds light on a period which some of us are less familiar with. Those disturbed by Olympic-related upheaval may discover that London has always been chaotic and turbulent, and yet they'll also find some constants in the shifting, restless metropolis. Along with Peter Ackroyd's unique biography and a smattering of Dickens, Pepys and Thackeray, this is an essential part of any self-respecting library of London. ♣

FAVE SEX: Being on top.
WHAT'S SHE LIKE? As Lollies go, she's FAB.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I got talking to a model at a party, and she told me she'd been in it. I bought one and wanted to be in it as well.

WHAT DOES YOUR BLOKE THINK?
He says I can do whatever I want in modelling – and he's very proud of me – as long as I don't do hardcore with other men!

ANY PLANS FOR THAT?
Oh no, I just want to do a bit of modelling on the side of my job,which is fashion retail. I don't want a dodgy vid haunting me at every place I work!

VERY WISE. BUT HOW ABOUT LESBIAN STUFF?
Probably not, but it's no surprise that my boyfriend says that I'm allowed to do that if I want to! Filthy bugger! ♣

MAKEUP & MINGE!

My hubbie John is a good sort really. The other week he bought me a professional makeover to say thankyou after I'd treated him to a particularly long and luxurious blowjob. I don't think he realised just what a wonderful present it would turn out to be!

The makeover was at a local beauty salon, and I was shown in to the room where the make-up artist was waiting for me. The very first thing that I noticed was that she was damn sexy to look at – perfectly made-up, of course, but she looked like she would be very pretty even without it. And she had the figure to go with it – not too skinny, with nice girly curves around the tummy and hips, and a well-rounded butt under a tight pair of leggings. Although she only had little boobs – probably no more than A-cup – they were shown off to their best in a slinky silver blouse.

She introduced herself as Katie, sat me down on the chair, and started to work on my makeover. She was very friendly, and soon we were chatting away as she worked. One thing that was a little disconcerting was that blouse of hers, because with me sat down and her leaning over me to apply make-up, I couldn't help but keep getting a clear view right down the front of it. And it was obvious that she wasn't wearing a bra, meaning that I was getting a good look at her little boobs – nipples and all – each time she leant forward. Katie seemed completely oblivious to this as she chatted away to me, but I could feel a moistness starting between my legs.

As Katie came to do my eyeliner, she said to me with a half-smile, "Now stop looking down my blouse for a minute and look up at the ceiling." Clearly I hadn't been as discrete about it as I had thought! As I did what I was told, my mind was racing about what she had said and they way that she'd said it. Clearly she was flirting with me, which happens quite a lot with girls without meaning too much. But was this something more – was she giving me a come-on? It can be so hard to know with girls.

As I say, we girls do tend to flirt with each other a fair bit, and I know that lots of my friends certainly like the idea of making love with another woman. I think that we find the softness and gentleness of another girl very sexy, plus there's the whole 'naughtiness' thing – it feels a bit naughty to kiss another girl, and that makes it very arousing (a bit like anal sex – it's sexy, because it's taboo). Many of them will admit to fantasising about sex with another girl when they masturbate, or to having wet dreams about it (and yes, we girls sometimes do wake up with a wet pussy after a mucky dream). But not all of them are confident enough to act on it – they're worried that they might misread the signals, and mistake a bit of flirting between girls for something more.

And that was my dilemma now. Katie had made it clear that she knew that I'd been looking at her boobs and that she didn't mind (and indeed as she carried on working she continued to allow her blouse to fall open as she leant over me, so that I could hardly fail to get an eyeful). But did that mean that she might be up for something more than flirting with me? I wasn't sure, but I did know that

the sight of her little tits was getting me horny as hell, and the spreading wetness between my legs told me that if she was up for it then I certainly would be.

As she applied blusher to my cheeks she said, "I like to use plenty of blusher – it makes it look like you've just cum, and that's dead sexy. Mind you, you've got quite a flush already, so I won't need too much." More flirting, and the reference to me already looking aroused seemed to be designed to tell me that she knew that she was turning me on. Of course this just made me hornier still, and I started to worry that I might be going to leave a damp patch on the chair when I stood up.

Finally Katie was ready for my lipstick. "I'm going to give you blowjob lips," she said. With yet more flirty talk from Katie, I decided that now was the time for me to find out just what was on her mind, so I innocently asked, "What do you mean?" Katie paused to look at me and replied, "Bright red lips like they have in porn films. But this lipstick will still be on even after a good snogging." I'd decided that I had to know whether she wanted more from me than just a bit of sexy banter, so I replied, "No way. No lipstick is going to survive a proper kissing session." To which Katie proceeded to apply the colour to my lips, and then said, "Right, watch this." She leaned forward and kissed me long and hard on the mouth, keeping our lips locked for at least a minute, and letting the tip of her tongue gently probe my mouth as she did so. As she pulled away she said rather breathlessly, "There, look in the mirror – still bright red."

"She aused her fingers to open up my wet pussy and soon had two inside me"

She was right, but frankly by this stage I couldn't have given a fuck about the lipstick. I just wanted to feel this sexy girl's lips on mine again, so I replied, "Maybe, but we only kissed a little. What about a proper snog?" Katie leaned forward again for our second kiss, and now emboldened I allowed my hands to run over her as she did so, first reaching behind to cup her juicy bum-cheeks and pull her closer, then up to her waist under her blouse, and finally round to the front to hold each of her little boobs in my hands. It felt funny to be caressing such small ones – I'm a big-chested girl myself, as are most of the girls that I go with at the moment. Certainly none of them have really little tits like Katie's, but although they were small they felt pretty firm in my hands, and I certainly wasn't complaining as I let my fingers start to trace around her nipples and felt them harden quickly under my touch.

Katie pulled away for a second time, and without me asking unbuttoned her blouse and slipped it off. She leant forward again, but this time, rather than lowering her lips to mine, she presented me with a now erect nipple to suck, which I did with great eagerness. As I teased first one then the other little bullet with my tongue, I was aware of Katie's own hands reaching down between her legs and starting to caress herself there through the material of her leggings. After a few moments of this, obviously dissatisfied with the effect, she took her hand away from

“I allowed my finger to circle around Katie’s pussy while I was rimming her”

her crotch for a moment, just long enough to use both hands to push the waistband of her leggings and the panties underneath down to her thighs, at which point she immediately returned one hand back to between her legs and continued caressing her pussy, now with nothing in the way.

I let her nipple slip from my mouth and said, “Let me taste.” Katie seemed to reach her hand further between her legs for a few moments, then she withdrew it (almost immediately replacing it with her other hand) and held two fingers up to my mouth, both glistening with sticky wetness from within her. I held her wrist and slowly licked each of the fingers in turn, making appreciative little noises as I did, before taking them together in my mouth and sucking the last of the juice from them. “More,” I demanded, to which Katie repeated the exercise with her other hand, again switching hands quickly so that her pussy wasn’t left unattended for more than a moment. Having licked and sucked her other fingers dry, I still wasn’t satisfied – the fact was that it had been a few weeks since I’d tasted any pussy other than my own, and Katie’s was so sweet on my tongue I really wanted a proper helping of it, straight from source.

So I stood up, took Katie by her free hand, and led her over to the treatment couch in the room (Katie having to rather waddle, with her leggings and panties half-way down her legs, and her other hand clamped over her pussy with apparently no desire to move!) I sat her on the couch, pulled her shoes and clothes all the way off, then gently pushed her thighs apart and pulled her hand away, to reveal what was between her legs. And what a sight it was. Completely bare, like most pussies I see these days (and like my own), and with large dark inner lips flaring out over puffy pale outer lips like petals of some exotic flower. I pulled the chair over and sat between her legs, then ever-so-gently placed my finger tips on the lips of her pussy and separated them to show what was between. It was a lovely sight. Her puss was actually a bit open, and visibly wet. Above it I could see her a large, swollen clit – presumably bigger than normal thanks to the attention it had been receiving, but looking like it was probably a big one in any case.

Funny how a girl with such tiny boobs should have such a big clit, I thought, but then I decided to stop thinking and start enjoying, so I bent my head forward and took a first, long and slow lick from pussy to clit. I allowed my tongue to trace patterns around her clit for a few moments, resulting it little gasps of pleasure from Katie, before taking it in my mouth and gently sucking on it. This turned Katie’s little gasps in to out-and-out moans, which intensified as I repeated the process once more – another long and slow lick right up the length of her pussy, ending at that lovely (and increasingly firm) clit.

I could probably have kept this up for hours, but Katie had adjusted her position by leaning back slightly and lifting one leg. This had exposed her little button of an anus to me,

deliberately I'm sure, and it looked so pretty I knew that I had to pay it some attention. So I dipped my head down and allowed the tip of my tongue to trace around the rim of her bumhole, whilst I slipped a finger in to her pussy to coat it with juice. I allowed my finger to circle around inside Katie's warm pussy whilst I continued rimming her, then withdrew it and re-positioned it at her anal opening.

As my wet finger touched her, Katie pushed herself downwards, and after a moment's resistance her arse muscles yielded and my finger slipped up her bum. This brought a long moan from Katie, and an almost desperate movement of her hand back to her pussy, where I watched her rub at her clit furiously. She called out as she made herself cum, and I felt her arse clamp tightly around my finger. She continued to rub at her clit, with decreasing ferocity as she rode her orgasm and it started to subside. Finally she just pulled upwards with her fingers, stretching her clit to milk the last pleasure from it. Then I felt her arse relax around my finger, and she lay back on the couch spent by the power of her climax.

I was pleased to note a large and spreading wet patch on the tissue covering the couch under Katie's bum, which made me feel like I must have given her a real big orgasm. She sat up on the couch, and smiled sweetly at me. Now it was Katie who looked like she had too much blusher on – she had a large and prominent sex rash over her cheeks, necks, and completely covering her little boobs. She held her arms out to me, and pulled me close as I stood from the chair, delivering a passionate kiss to my lips by way of thank-you for what I had given her.

She manoeuvred me on to the couch beside her, and continued to kiss me, allowing her hand to sneak up under my skirt as she did so. I wasn't wearing any tights, so her hand was soon at my damp panties. Katie continued to hold her lips locked to mine, as her fingers worked their way into the gusset of my knickers, where they found a very wet pussy. Still snogging me with great passion, she allowed her fingers to open my pussy, and soon had two inside me whilst her thumb started to insistently rub back and forwards over my clitoris. All the time she continued to kiss me on the lips, her tongue busy inside my mouth, and her free hand holding the back of my head and pulling me towards her.

It reminded me of the sort of sex that I used to get as a teenager – fully clothed, being snogged and fingered by one of my friends when we were first experimenting with lesbian sex. And it was very arousing as those memories came flooding back to me. It brought back some of the 'naughtiness' factor of going with another girl – the sense that what we were doing was somehow wrong, even though it felt so right. I kissed Katie back with renewed passion, and suddenly felt a wave of pleasure erupt from her fingers in my pussy. I wanted to call out, but she wouldn't free my lips even for a second, so I just groaned into her mouth and clamped my thighs tight around her hand, forcing her fingers deeper inside me as I experienced a monster orgasm.

Katie finally removed her lips from mine, then gave me the sweetest smile as she withdrew her fingers from my pussy, brought them up to her face, then with her eyes locked on mine very slowly started to lick my pussy juice from them. I waited until she'd finished, keeping my eyes fixed on hers the whole time, then leaned over and kissed her to taste myself on her lips. "See, your lipstick is still on," she said. "Then we're not trying hard enough," I replied, and gently pushed her back down on the couch to have another snogging session, only this time it wasn't the lips on her face that I was kissing…

PORN STAR RETIREMENT HOME

Where we look back at the mucky strumpets who quit the cock...

Jenna Haze

Jenna's one of those porn stars you think is never gonna quit, so good are they at their job, so natural on camera and seemingly loving the sexy sex. Just 30-years-old, the slender, helium-voiced star has had a heck of a career, starting out aged 19 in 2001, signing to Jill Kelly Productions soon after and then blazing a trail of high-quality fucking on film for the next ten years. Smart cookie Jenna claims to have been a promising student, until she dropped out of school at the age of 15, when she, "discovered boys and sex." Education's loss was our gain, for sure, as the quality of Jenna's acrobatic copulation-work and (often garbled) dirty talk with a cock in her gob is second to none. Winner of many awards over the years, Jenna went into producing and directing in 2009, when she created Jennaration X Studios (see what she did there?) and has also had a few brushes with the mainstream entertainment world, appearing in *Crank 2* with baldy Jason Statham and doing some pictorials in *FHM* magazine. We're not totally sure why Jenna's quit, but she has been on the receiving end of a LOT of semen this past ten years, so maybe she's just taking a little sabbatical. Hope so.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

QUIMMY OLSON

Recently-retired porn star Bree Olson (you know, the one with the tits who was regularly seen hanging off Charlie Sheen's arm during his big ol' meltdown) has gone and released a pop single, entitled *Hollywood Douchebag* (erm, is that anything to do with her former squeeze?). And now there's a video accompanying it which, while not explicit, is still pretty raunchy, and can be seen on YouTube. We recommend you do watch it just so you can see how cheap and shoddy it is, and how crap the song is too (sorry, Bree, but it really is a horse's fart). Bree attempts to rap AND sing, you'll be pleased to hear, and it's currently garnering a lot more 'dislikes' than 'likes' on the website. We predict she'll be back on camera, nobbing away, soon.

Parody vs Reality

Which is better – the porn parody or the original? Let's put 'em to the test...

The Godfather vs Godfather: A Dreamzone Parody

Story

The Godfather: The aging head of an organised crime family, Don Vito Corleone, passes on his empire to his son, Michael. Along the way, people sleep with fishes, weddings are backdrops for shady dealings, horse heads are found in beds, and James Caan is slaughtered at a toll booth. By the end, a lot of people are dead, including Don Vito himself, with a mouthful of orange peel.

Godfather: A Dreamzone Parody: The head of the Whoreleone family – the world's largest adult video distribution company – accumulates a bunch of enemies, and finds himself at the brink of an all-out porn war. Fucking ensues.

Acting

The Godfather: Al Pacino, Marlon Brando, James Caan, Diane Keaton and Robert Duvall all manage to put in a decent effort, considering their limited skills.

Godfather: A Dreamzone Parody: Peter O'Tool shows Brando a thing or two as Dong Vito Whoreleone. Kagney Linn Karter has the edge over Keaton (come on, who would you rather doink?). Tommy Pistol is less hammy than Pacino.

Tits and Ass

The Godfather: James Caan bangs a girl up against a door at a wedding but you don't see much. Keaton stays under wraps. Disappointing.

Godfather: A Dreamzone Parody: What do you think?

Overall

The Godfather: Long, slow-moving, violent... it's no barrel of laughs, even if it is one of the greatest films of all time.

Godfather: A Dreamzone Parody: Long, slow-moving, sexually-explicit, it will make your penis hard. But you will not come away enriched.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

If you like noisy little pipsqueak redheads, you are guaranteed a shitload of fun if you become one of the 40,000+ followers of porn babe Marie McCray, whose constant updating of her ever-shifting moods, the day's events (mostly smoking weed, taking photos of herself in the bath and giving weed to her friends' pets, it would seem) and random (bonkers) thoughts is a joy to behold. She's a chatty little minx, and links her Tumblr account to her Twitter account, so she can post photos as rude as she damn well pleases (a lot of official Twitter image services shut down accounts that post filth, the ruddy spoilsports). She's clearly very randy a lot of the time, has a very nice pert pair of boobs that she's prone to getting out at the drop of a hat, and sometimes doesn't shave her muff so you get a right eyeful of her honey-badger. Let's check out some of Marie's recent tweetage...

"I just wanna say I love my life and I hope everyone else does too. We all have good days and bad days but always think positively!!!"

"Today I finished my taxes. Love getting my tax return, hate paying to do them. Lol. Tomorrow I get to go to Vegas and fuck a sexy girl!!"

"So my friends dog is okay. I think I just got him a little too high. Lol it was so funny he was wobbling around."

Follow Marie at *www.twitter.com/mariemccrayxxx* this very minute, tell her hello (she's always up for a chat), and then masturbate at photos of her breasts and fanny. You won't regret it.

Top Five...

HBO's Girls' girls

US sitcom *Girls* is loaded with filthy moments, and we countdown our faves from the cast right here...

5: Kathryn Hahn
Only a bit-player in the show, Kathryn will be a familiar face to fans of sitcom *Parks & Recreation* and movie *Stepbrothers*. She got her jugs out in TV drama *Hung*, where she played a preggers bird getting screwed.

4: Jemima Kirke
Posh Brit chick Jemima went to school with *Girls* creator Lena Dunham, therefore landing herself a part in the show (where she does a lesbo snog in one very watchable episode).

3: Zosia Mamet
Kooky daughter of playwright David Mamet, Zosia takes her knickers off a coupla times in *Girls*, playing frustrated virgin Shoshanna. She also has big breasts, which is ace.

2: Lena Dunham
Not a classic beauty, but Lena's quirky charm and willingness to take her clothes off (as well as write herself some very uncomfortable sex scenes) make her a grade-A bird.

1: Allison Williams
Daughter of NBC Nightly News anchor Brian Williams, Allison is about as lush as it's possible to be. She also has a very convincing masturbation scene in *Girls* which you can easily get a wank out of.

PRICKIPEDIA

Sexy sex facts about sex!

30% of women over the age of 80 still have sex with their partners (which is sweet, but gross)

More women talk dirty during sex than men (which is just as well, cos we sound silly when we try it)

Only 17% of women are likely to orgasm during penetrative sex (which is more argument for oral, and getting the same in return)

On average, men can reach orgasm in 2.5mins, whereas it's 12mins for women (which doesn't seem all that fair but hey, what can you do, huh?) ♣

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Ah, Kelly Brook. Lovely big-boobed Kelly Brook. Let's quickly skirt over what she gives us culturally, although as poor as she was on *Big Breakfast*, there've been worse TV presenters. And the movies she's presented in here – *Piranha 3D* and *Survival Island* – might be grade A stinkers, but that's not down to Kelly. They're shit from the bottom up. We come to praise Kelly, and she's the only reason you'd ever subject your senses to those movies – she spends large parts of *Survival Island* wearing slightly more than fuck all, and *Piranha 3D* proves that that body is still curvy in exactly the right way. Slappable arse, big natural boobs, gorgeous natural smile: she's an English rose showing no sign of wilting. ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TANYA'S TUSH

I was lost when I split up with my long-term girlfriend Kate earlier this year. We'd been together for seven years and I'd been faithful to her throughout that time. In fact I'd only slept with one other person before we got together when we were 17, so when we separated I didn't have a clue how to cope on the single's circuit.

At first the thought of shagging loads of different women seemed amazing but I worried I'd forgotten how to go about scoring. Of course, I never told my mates any of this but somehow they seemed to guess and made it their mission to fix me up.

About a week after the split they insisted on taking me out for a mad night on the town. To be honest, I wasn't really in the mood but played along and, God, I'm so glad I did! They took me to a seedy nightclub in town and after an absolute skin-full I was feeling in much better spirits. I spotted a tarty looking girl on the dance floor, clad in a black PVC dress and long boots, and told my mate Dave that I wouldn't mind giving her a good seeing to. I don't know what Dave said to her, but no sooner had the words come out of my mouth than she was strutting her stuff alongside me.

She was even sexier close-up. Her tight dress clung to her every curve and she gyrated against my crotch, making me as horny as hell. I moved in time with her hot body, thrusting my hard cock towards her cunt and she grabbed my buttocks, pulling me closer to her. Her big tits pressed against my chest and she began seductively licking down the length of my neck. This drove me fucking wild and I grabbed a handful of her hair, pulling her mouth to my lips. She thrust her tongue deep into my mouth and gave me a long, passionate French kiss. When we eventually separated she whispered in my ear "Take me home, I want you to fuck me." I couldn't believe my ears, let alone my luck, and nodded enthusiastically.

On the way out my mate Dave took me to one side. "I've been with Tanya before and she's a real goer, she'll let you do whatever you want to so make the most of it you lucky bastard." We jumped into a taxi, but fortunately she lived just five minutes away from the town centre. By the time we pulled up at her flat I was absolutely gagging for it and was dying to get into the knickers of a stranger. She led me into the living room and I sat down on the sofa but she remained standing. "Dave said you needed cheering up so I'm at your service," she laughed, slowly unzipping her figure-hugging outfit. Her PVC dress slipped from her shoulders and onto the floor, leaving her standing in just her long boots and black G-string.

I scanned her fantastic figure, her full round breasts, tight waist and curvy hips, and tried to decide how to use her best. I bent her over the back of the sofa and she thrust her peachy arse in my direction. The thin material of her G-string disappeared up the crack of her bum and I kneaded the soft flesh of her cheeks before slowly peeling down her knickers. The gusset was already

soaking wet, indicating she was as horny as I was and I sucked the gooey material just to make me even hornier. Her juices tasted salty and I was desperate to get my tongue into her tight slit. The way she was positioned gave me a good view of both her smooth little snatch and her pink arsehole. I was spoilt for choice and didn't know where to go first but decided on her fanny. I prised open her fleshy lips to reveal her glistening git and sunk my tongue deep inside.

As I said, I hadn't been with another girl for a long time and the sensation of licking a shaven cunt was fucking mind blowing. I went nuts, lapping away at her dripping fanny and forcing my index finger deep into her hot little hole. She bucked back, riding hard against my finger and covering my whole hand in her sticky juices. "Lick my bum Stephen, I love a tongue in there," she moaned, opening her legs even wider to give me better access. In the whole time I'd been with my girlfriend Kate, she'd never let me anywhere near her arsehole, despite numerous attempts, and I couldn't believe Tanya was literally begging me to do that. I quickly spread her juices from her dripping cunt to her tight ringpiece and began circling her puckered entrance with my tongue. Her entire body shuddered with excitement as my rasping tongue probed her tight dark hole and soon I'd forced my way inside.

She squealed in sluttish delight when I pushed a finger past her strong sphincter muscle and started thrusting in and out. I'd read before that some women really enjoy being fucked up the arse and, although I'd never thought I'd be lucky enough to put it to the test, realised this was my first chance at having a go.

By now my prick was swollen stiff with lust and desperate to be buried in some snug, warm hole. I scrambled to my feet, tore open my trousers and released my long, thick cock. Pulling Tanya's creamy buttocks apart, I positioned my dripping helmet against her tight arsehole. She gasped in anticipation, knowing she was about to be stretched wide open by a pulsating dick. Her arse was well lubricated but at first I thought there was no way I could force my huge aching prick into such a tiny hole. I pushed at it a few times and there seemed no way in so I changed my tactics. I circled the tip of my cock around her ring-piece a few times, spreading around her juices, and soon felt her muscles began to relax perceptibly.

> **"I buried my prick so far up her arsehole that my balls slapped against her cheeks"**

Slowly, I began to ease the head of my veiny cock inside her hot hole and suddenly her sphincter gave way completely, my entire length popping up into her hot hole. Tanya screamed, first in pain, then, as she became accustomed to my girth, in ecstasy. I steadily began feeding my prick in and out of her tightest orifice, savouring absolutely every thrust.

I couldn't believe how dirty and horny it felt to fuck a girl up the bum and she seemed to love it too. When I moved back, I pulled out to almost the tip and then plunged the entire length deep back inside her. I buried my prick so far up her arsehole that my balls slapped against her cheeks and I honestly didn't think I'd be able to last more than a few minutes before firing my load. Tanya swayed against me and I grabbed hold of her heavy swinging tits to steady myself.

She ground down on my cock as she scrabbled at her stiff button and suddenly I felt her bum muscles tighten as her orgasm built. She began bucking back harder and faster on my throbbing cock and she groaned loudly as her climax shook through her body. "Yes, fucking hell, yes," she moaned, over and over again, flicking her head back and forth like an animal. My thighs were covered in her pussy juices by the time her climax had subsided and I was now ready to shoot my load. I grabbed hold of her hips and began fucking for all I was worth. I could feel my foreskin, riding back every time I rammed my cock into her arse and my body dripped in sweat. Her hole gripped my pulsating dick and soon I felt my balls prepare to fire. I grunted noisily as the first sticky stream shot deep up her crack and managed to pull out in time to aim the rest over her red-raw bum cheeks. My body jerked in satisfaction as I wanked every final drop of cream onto her soft skin and I then collapsed between her legs in a state of sexual bliss.

Needless to say, with the help of Tanya and her hospitable arsehole, it wasn't long before I got over Kate – and got my leg over lots of other lucky girls!

Stephen, Portsmouth

JACK IN THE BOX

These days I love to be fucked really hard up the arse. Nothing makes me feel filthier or more turned on than having someone's

“I’d been told that you couldn’t cum from anal sex, but I found out that wasn’t true”

enormous dick filling my tight hole. But it wasn’t always this way – a couple of years ago I was still an arse virgin. That’s not to say I’m not sexually adventurous though. From my first ever fuck I’ve let my boyfriends screw my fanny with a lot of things other than their cocks. But I guess I’d been brought up to believe that my arsehole was just out of bounds for that sort of thing. But try telling that to my boyfriend, Jack.

At the time we’d been going out for about a year and I knew that he was desperate to give me my brown wings. In bed he kept getting closer to my arse crack – fingers slipping while he was wanking my pussy, his tongue probing the wrong hole. I’d be lying if I didn’t admit that I’d started to enjoy his ‘accidental’ experiments. So I began to tease him – spreading my cheeks when we were doing it doggy style so he could get a good look at my hole, and talking about having his huge prick up there to get myself hot.

There was only one way our behaviour was going to finish up – and that was with Jack’s rod in my rear end. It was more a question of how, rather than when. But it actually happened on a night when I planned a different sort of surprise for my boyfriend. One of the things I love to do was tie men up and order them to do things to me – and Jack likes being bossed around. So I’d bought a really slutty outfit over the internet – a tight PVC basque that my DD tits spilled out of, with crotchless panties to match.

The doorbell rang just as I was putting the finishing touches to my get-up (namely a serious pair of dominatrix-style specs). I opened the front door and the expression on Jack’s face told me I was in for a fun evening. Checking out his packet, I noticed that he was already pretty happy to see me. Without saying a word I pushed him onto a chair and released his cock from his jeans. It stood up thicker and harder than I had ever seen it before and I couldn’t help tasting the salty pre-cum that was glistening at the tip of his shaft. He groaned appreciatively and grabbed for my boobs. “Did I say you could touch me?” I snapped, suddenly remembering I meant to tie him up with my handcuffs.

Soon he was sat there, arms behind his back, blindfold on, totally at my mercy. And the feeling of being totally in control of that rigid dick was making me fucking horny. So much so that I knew this was going to be the night. Reaching between my own legs I could feel my pussy foam seeping through the slash in my knickers. I thrust my cunt in my boyfriend’s face so he could taste me as well

– then deliberately turned round so he could lick my arse properly for the first time. Jack writhed in the chair, trying to get his tongue where it had never been allowed before. And I loved having it there, the new sensation making me shudder with excitement as he probed the tight little ring.

But I really wanted to try something bigger. Untying his hands, I ordered him to push one of his fingers inside me. I was so wet from his saliva that my arse offered no resistance, and it slipped in straight away. Now there was no stopping my boyfriend, and seeing his opportunity he suddenly took control of the situation. Murmuring, "you dirty little bitch," he pulled my panties down and pushed me onto all fours. Taking my bum cheeks in both hands he stretched them wide and positioned his cock at my entrance.

Suddenly I was a virgin again, waiting to be banged for the first time. "Come on Jack, give it to me," I cried out of dirty desperation and then the tip of his prick was in me. The slight shock of pain only added to my filthy pleasure, and I felt like a right slut as he rammed his cock fully into me. I'd been told that you couldn't cum from anal sex, but I was about to discover it wasn't true. My whole body was shuddering by the time my climax subsided – and I was still screaming for more. And the best was yet to come – the feeling of Jack spilling all his spunk inside my anus. My pleas were all the encouragement he needed, and he ejaculated deep into me, grunting wildly before collapsing on top of me. But it wasn't long before we were at it again – and I can tell you I haven't looked back since!

BRETT ♣

It's a girl's name, honest...

So, “Brett, what is life like with a man's name, eh?

“That’s a bit rich coming from a Brit,” says the American hottie. “You’ve got guys over there called Shirley and Pat and everything.”

And so have you.

“Okay, can we agree that no-one is going to win this argument? Lots of women are called Brett.”

Not that many.

“If you don’t let this go, I’m going to put my clothes back on.”

Brett is a lovely, feminine name... ♣

BRETT

What our well-placed moles are telling us this month...

DOWN THE WIRE

ROCKY MENACE!

Teresa Widener of Bedford, Virginia in the spiritual home of nutjobs, the US of A, has quite a strange eating disorder. Instead of binging on chocolate and then shamefully vomiting it up in secret like any decent person, she munches on rocks. And not just the odd rock – she reckons she's gnawed on more than 3,000lbs of them over the last 20 years. "I've never had any medical problems because of the rocks," the 45-year-old told reporters, "but I don't go to the toilet too often and my tummy hurts a little sometimes. I like the earthy flavour of them so sometimes I just suck the mud straight off them too." It's time to move to the town of Bedrock, Teresa.

GREY MATTER!

Nearer home, and Raymond Hodgson, 31 of Carlisle, has pleased guilty to common assault after a barney with his girlfriend Emma McCormick. Annoyed at her reading passages of shit bestseller *50 Shades Of Grey* aloud, he showed her what real sauce was by squirting her with brown sauce. The book, popular with people who can't read real books, is enough to provoke anyone, although we don't condone the slap that Hodgson was accused of delivering as well. Although she'd probably love it if that Christian Grey character was doling it out.

FIND A FOLD AND FUCK IT!

Ahh, sweet romance. Big massive chubber Pauline Potter, the Guinness Book of Worlds Records' reigning world's heaviest woman when she hit the heights of 52st., is shagging her way to a new, svelte her. Okay, not svelte, but she's lost 7 stones in seven months and puts it down to shagging sessions with her ex-husband. "My bed is strengthened, and I although I can't buy sexy lingerie, I drape a sheet over me," she says. Yes, like they would the corpse of a whale. Ex-hubby Alex is sticking it to her 7 times to a day, and says he wouldn't mind if she was 70 stone. Reverse cowgirl is clearly out of the question.

MOSSAD-CHOPS!

It's all kicking off on political debate shows these days, and while we have Paxman sinking his teeth into bullshitting MP's, Johnny Foreigner has to go that little bit further. First, a Greek MP smacked a woman on a show in Greece, but Jordanian MP Mohammed Shawabka takes the biscuit for losing his rag during a debate with activist Mansour Sayk al-Din Murad. After Murad accused him of being a Mossad agent, Shawabka hurled a shoe at him, and then pulled out a revolver and pointed it at him – in front of cameras and a live audience. Luckily, he didn't pull the trigger, but we don't reckon they'll be inviting him back on... ♣
